## TURKEY.

## SALONIKI—Precautions Against Importation of Cholera.

Consul Horton reports November 7:

On account of the appearance of cholera at Adrianople, the sanitary commission of Saloniki has voted the following provisions:

Municipal physicians shall remain on all trains coming from Adrianople during the entire journey. No sick person shall be allowed to board the trains. Travelers from Adrianople shall be subjected to five days' surveillance. All mail from Adrianople shall be disinfected. Food products from Adrianople shall not be admitted into the vilayet of Saloniki. A disinfection depot shall be established at Drama. Houses shall be rented at the principal stations between Adrianople and Saloniki to harbor persons who show symptoms of cholera en route. Each train shall be furnished with a pharmacy for the use of the physicians. The railroad company must furnish only boiled water to the travelers. Quarantine will not at present be enforced.

## VENEZUELA.
